Title: Algorithm Selection in Multilateral Negotiation

1 Current state

As of the day of writing of this document, the following sections of my master's thesis have been written:

- Introduction
- Theoretical Framework
- Related Works
- Methodology

2 Work schedule

In PRIMAVERA 2019, I plan to finish writing my master's thesis. I plan to achieve this according to the following plan:

Activity	Timeframe
Begin Experimentation	January-March 2019
Write the results' discussion	March-April 2019
Conclude thesis	May-July 2019
